

How To Access Catalyst LabFlow through Immediate Access

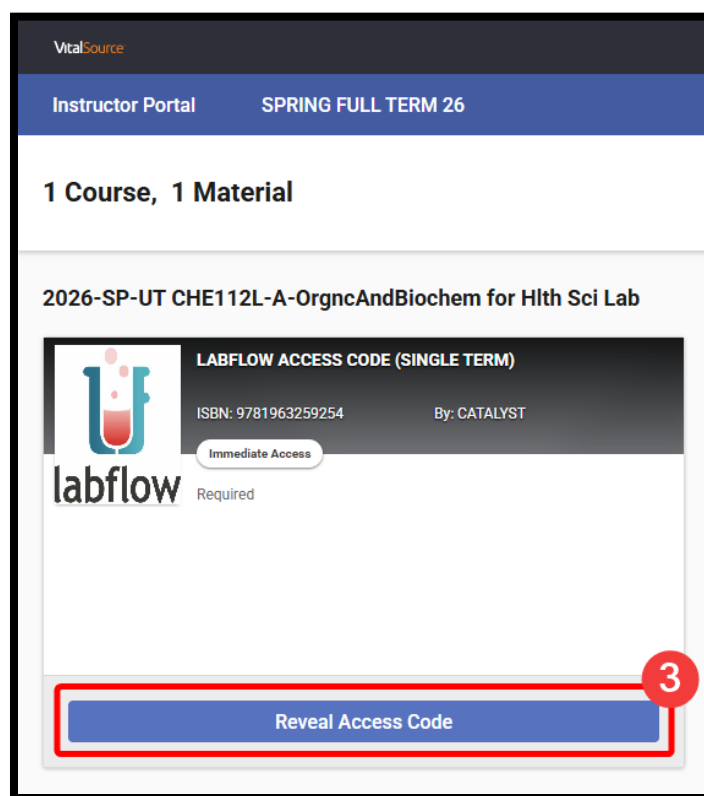

1. Log onto Canvas and select the course using Labflow.

2. Click → **Immediate Access** from the left-hand course menu.

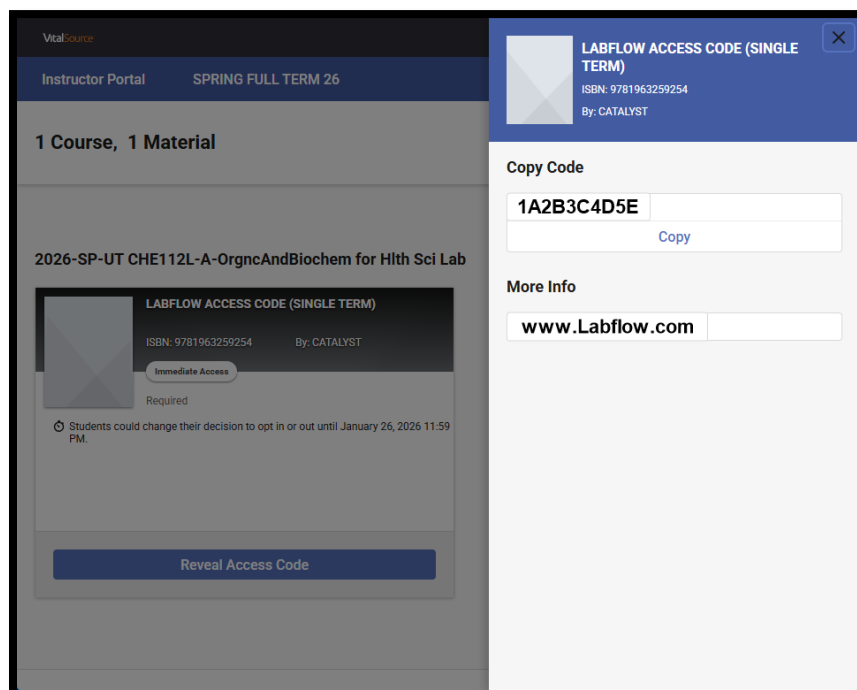

3. Click → **Reveal Access Code**

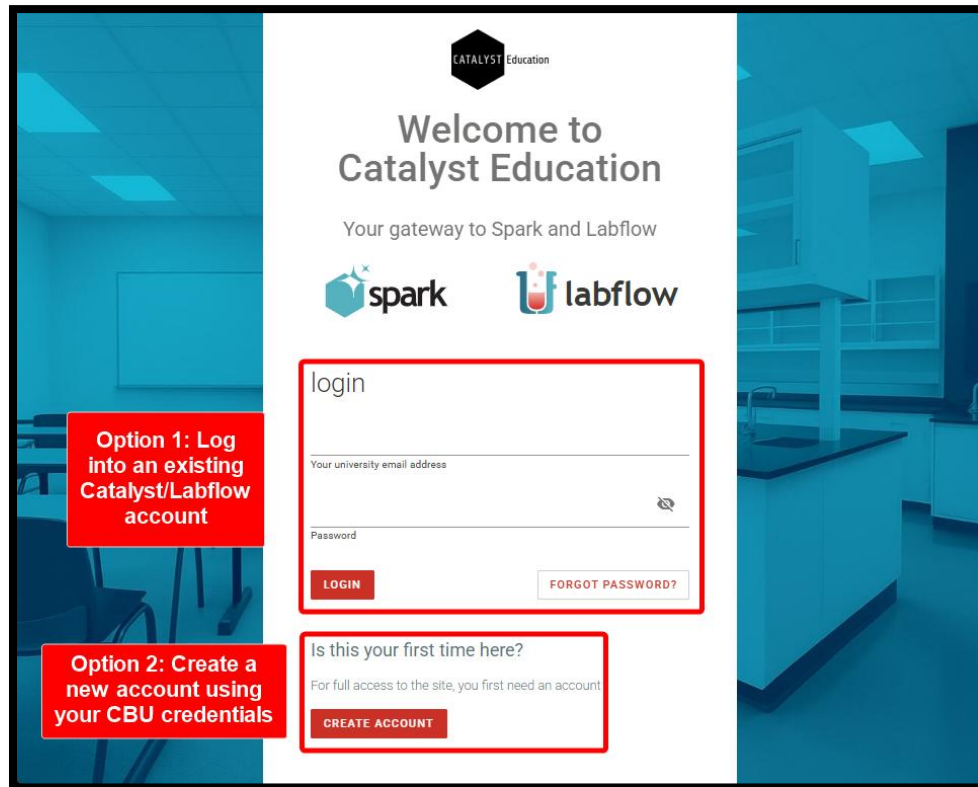

4. Click → **Copy** to copy to access code to your clipboard.

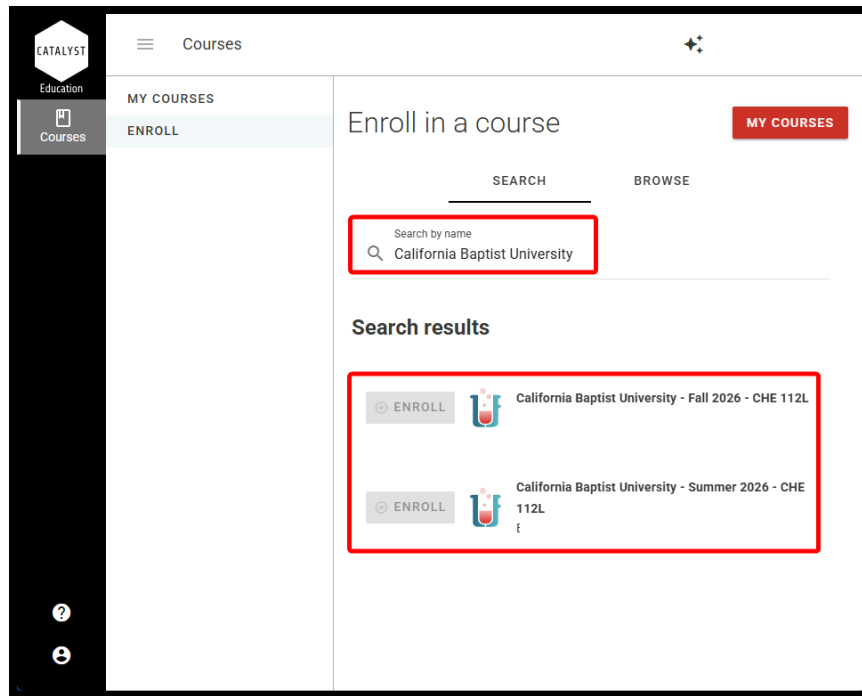

5. Open the provided URL in a new browser.

6. On the Catalyst/Labflow website, through the provided URL, you will be prompted to either:
- 1) Log into an existing Catalyst/Labflow account
- OR**
- 2) Create a new Catalyst/Labflow account using your CBU credentials.
 - a. (e.g. Jane.Smith@calbaptist.edu)
 - b. DO NOT use your ID#@calbaptist.edu email address

7. Once you've logged into your New/Existing Catalyst account, search [California Baptist University](#) under **Enroll in a course**.

8. Click → **Enroll** on the appropriate course using Labflow and enter the code from the Canvas Immediate Access link (Step 4).
➔ This will grant you access to the Labflow content.

Need Help?

Please email ImmediateAccess@calbaptist.edu with your student ID# and course code.
