The form is titled "Create a WileyPLUS account to unlock all of our learning content!" and includes a sub-header "Creating an account also makes it easier for support to assist you." The form fields are: First Name (with a red circle "1" and a red bracket), Last Name, Email Address, Confirm Email Address, and Department (a dropdown menu). Below the fields are two checkboxes for consent: "I consent to special offers, newsletter & promotions from Wiley. See privacy policy for more details." and "I consent to Wiley's Terms of Use and processing of my personal data as disclosed in Wiley's Privacy policy." A red bracket groups these checkboxes with a red circle "2". At the bottom of the form are two buttons: "Submit" and "Login to an Existing Account" (with a red circle "1").

4. If a new account was created, then a 4-digit code will be sent to the registered email address.
5. **Copy and enter** the emailed code into the WileyPLUS page.
 - Once the code is successfully redeemed, the material should become available.
