

How To Access Cengage MindTap or CNowV2 Courseware

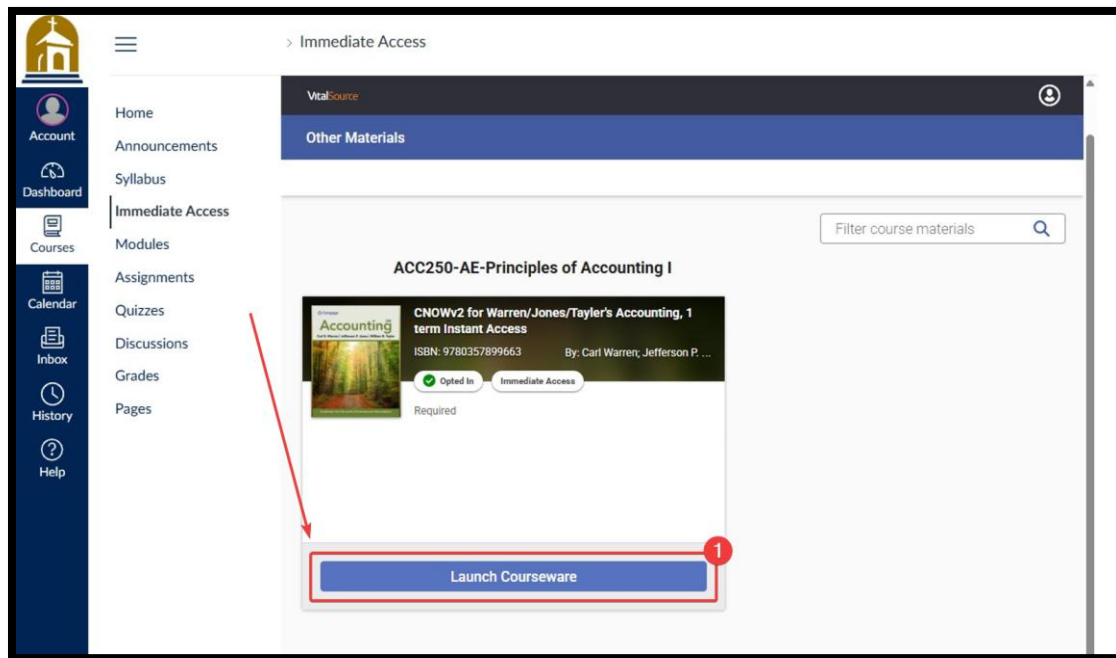

1. Sign onto **Canvas** and go to the course using Cengage MindTap/CNowV2.

2. Click the → **Immediate Access** link on the left-hand side course menu.

3. On the right-hand side, the Cengage MindTap/CNowV2 material should appear with an option to 'Launch Courseware'. Click → **Launch Courseware**.

4. You will be pathed to the Cengage site, where you will be prompted to log into a Cengage account.
- If do not have an existing account, create one with your Name@calbaptist.edu email address
 - DO NOT USE YOUR ID#@calbaptist.edu EMAIL.**
 - If you have an existing account, log in with those credentials.
5. Once logged in, you should be directly pathed to your MindTap/CNowV2 course, where you will be able to access your eText and courseware assignments.
